Dear Parent/Carer

Children's Author to visit our school

We are very fortunate to have a visitor coming to our school on *Tuesday 28th January* to present to our students. David Lawrence Jones is a well-respected author of children's books and producer of children's animation. David is renowned for his popular "Bradley Baker" adventure books, "Jig & Saw" story book and "Devon Farm"plus the brand new "supergeekisland.com" early years educational platform for parents and schools to access animated videos, books and EYFS learning activities.

During his visit, David will talk about his working life as an author and what inspired him to start reading and eventually write his own books. David will be showcasing some of his stories to the children and generally enthusing to them about being creative in their own lives.

Some of the author's books will be available to purchase in school and we have set some time aside for David to personally sign copies during a second visit during the morning of Thursday 30th January. An order form will be sent home after the showcase presentation, which will enable you to discuss David's books and the event with your child. If you would like your child to purchase a book(s), please ensure the order form and payment is returned to school on or before the day of the official book signing session.

Your child is also encouraged to think of at least one question to ask David about his work or life and research some facts about him. Should you wish to find out more about the author and his books you can check out the following website:

We are all very excited about the visit of David Lawrence Jones to our school. We sincerely hope your child enjoys the whole experience of meeting him and hopefully having their very own book signed to celebrate the occasion.

Yours sincerely

Ms Leonard
Vice Principal
