Dear Parent/Carer,

As a core curriculum subject, English is a priority in our academy. This encourages pupils to become resilient readers and confident communicators. Reading is prioritised to enable all children to access the curriculum. Our consistent and rigorous approach to teaching early reading enables children to master the key skills that research suggests is important early on. To do this, we follow the Read Write Inc. programme; this sets out a sequence of lessons that teaches children to read accurately and fluently with good comprehension. They also learn to form each letter, spell correctly and compose their ideas step-by-step.

**Reading**

Your child will:

- Learn 44 sounds and the corresponding letter/letter groups using simple prompts.
- Learn to read words using sound blending (Fred talk) e.g. c-a-t = cat, sh-o-p = shop.
- Read 'red words' these are words that have less common spelling patterns.
- Read lively stories featuring words they have learnt to sound out.
- Show that they comprehend the stories by answering 'Find It' and 'Prove It'.

**Home Reading**

Once at an appropriate stage in their reading journey, your child will be given the storybook that they have read in class so that they can practise re-reading it at home- this is done to help them build their confidence and fluency. They may also be given a 'book bag book' which will be an exciting text that they will be able to read themselves; this is because they will have learnt all the letters and 'red words' already in class, but you can offer some help if they need it. It is really important you listen to your child read at least three times a week. Finally, your child will be given a library book; this book is for you to read to your child and crucial at helping them expand their vocabulary and develop a love for reading. Please see the information over the page from the Ruth Miskin Read Write Inc website for further information.

We would also like to invite you to attend an informal information session at school on Monday 11<sup>th</sup> October at 4pm where we will be able to answer questions you may have. Please fill in the reply slip below if you are able to attend.

Thank you for your continued support,

Kind regards

Year 1 and Year 2 Team
