# Newsletter from our Digital Leaders

February 2022

@OPA\_Greystone

On Tuesday, Reece and Jack led an assembly on Safer Internet Day. The focus for this year was 'Exploring respect and relationships online'. They discussed all the great things about being online and reminded everyone how we can stay safe.

This newsletter has some of the key points from the assembly and some useful websites about online safety.

### Our advice for keeping safe online

Keep your passwords and personal information safe.

Evie and Alisa

Ask an adult before you play a game online.  
Reece

Act how you do in real life.  
Meg and Jake

Only play games online that are suitable for your age.  
Zander

Speak to an adult if someone is mean to you online.  
Ellie

Only communicate online with people who you know in real life.  
Jack

**Safe** - Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address.

**Meet** - If someone who you don't know ever asks you to meet up, say no and report it.

**Accepting** - Do not accept something if you are unsure of who the person is or what they've sent you.

**Reliable** - You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true.

**Tell** - Tell a trusted adult if something or someone ever makes you feel upset, worried or confused.

### Useful websites about online safety

Stories and videos to support online safety for different age groups.
