

Dear parent/carer,

As we approach the summer, and your child's transition to Year 7, it is vital that we best prepare them for their future learning.

As such, regular homework will be set on Google classroom, MyMaths and TTrack stars to solidify their knowledge and aid revision.

Please support and encourage your child at home in completing this essential review of their knowledge.

These tasks are high impact, low time (10-15 mins) and will ensure they review essential knowledge in preparation for the future.

If you have any questions, please do not hesitate to contact us.

Thank you for your support,

Mr Bates & Miss Mullery
