

12th November 2021

Dear families,

Having reviewed our survey regarding after school provision, I can confirm that we are able to implement a model of after school provision at OPA Greystone.

We will be offering 2 hours of provision: running from 3.15pm - 5.15pm; costs as follows:-

3.15pm - 4.15pm £4.50

3.15pm - 5.15pm £9.00

We would continue to gauge demand throughout, and this could be extended once established.

We are now beginning to work through the recruitment process and will inform you once we have a definite start date, it is likely that this will be in January.

Yours faithfully,

Mrs E Abbott

Principal
