Dear Parents / Carers

You will be aware the internet hosts many exciting opportunities for education. The online world is a wonderful place for young people to explore, with unprecedented opportunities for learning and creativity, but just like the real world there are risks and dangers they should be aware of and which we should all act to protect them from.

As a parent/carer you play a significant part in ensuring that your children spend their time online safely.

Just a few simple steps by you can help keep them safe and give young people the awareness to know what to do if they feel uncomfortable about anything they encounter whilst on the internet.

Net aware is a great website that states age restrictions for any social media apps or game. It also lists key points about what you need to know to keep you child safe, including guidance on TikTok, Fortnite and Instagram.

The Police are attending school on **13/07/2022** to conduct a presentation to the children of KS2 about keeping themselves safe on the internet.

If you do have any questions don't hesitate to email me.

Regards

Dan ARTHUR
