

30th June 2022

Dear Families,

As you will be aware, the academy was inspected by OFSTED earlier this term. I am pleased to be able to share the report with you in advance of it going live on OFSTED's website next week.

We are delighted to be able to inform you that Outwood Primary Academy Greystone is officially a 'good' school and even more delighted to announce that our Early Years work has been graded as 'outstanding'.

This is a fantastic achievement for the whole school community and one which we should all be incredibly proud of. You may be aware that at the last inspection, before OGAT's sponsorship, the school was judged to have serious weaknesses and a number of areas were graded as 'inadequate'. This has therefore been quite a journey and we would like to thank everyone who has contributed to the success that we can celebrate today. Our work together as children, families, school and community has always been a strength of the academy and this achievement is testimony to this partnership.

I hope that you enjoy reading the report.

Yours faithfully,

Mr L Wilson
Chief Executive Principal

Mrs E Abbott
Academy Principal
