

17th May 2002

Dear Parents & Carers,

We have been informed today that OFSTED will carry out an inspection of our academy over the next two days.

We will be welcoming two inspectors to Outwood Primary Academy Greystone during Wednesday and Thursday. They will look at all aspects of school life and will both challenge and support us in looking at the strengths of the academy as well as areas where we can continue to develop.

The inspectors are keen to hear from yourselves and this really is a great opportunity for us to celebrate the fantastic work that we have done together for our children. We are incredibly proud of our relationship with families and the community and would encourage you to share your experiences with the inspection team using the [Parent View website](#).

Once the inspection has been completed, the team will share with us their report and in turn we will share this with yourselves at the earliest opportunity.

Many thanks for your continued support.

Yours faithfully,

Mrs E Abbott
