

#OPAGandProud

An Introduction to our Academy Leaders...

School Parliament

Our job is to represent our class in the School Parliament.

We all have different departments to promote. These are: Education, Enterprise, Health, Sport, Energy Saving, Equality, finance and Inclusion.

We want to make our school even better and we will work on different projects over the year. We also work closely with other School Parliaments to make our trust even better. Watch out for further updates...

Reading Ambassadors

Our job is to promote reading across school. We would like to encourage as many children as possible to read as we know reading is so important.

Reading helps you in all areas of life and sparks your imagination.

We keep our school reading areas tidy and organised and we share our love of reading throughout the school.

Book Donations

Don't forget you can donate unwanted books to school for others to read and enjoy.

Mental Health and Wellbeing Champions

Our role is to help make people happy. We look out for people and help them if they are sad or upset.

We have lots of ideas to promote good mental health and wellbeing this year. One of these is to develop a wellbeing garden in our school grounds.

Digital Leaders

We are the experts in IT! One of our jobs is to look after our IT resources such as chrome books. We make sure they are fully charged ready for lessons. We also help with technology in assemblies. We help our friends if they need support in a lesson.

This year we will be thinking about promoting online safety and how we can be kind online.
